**Australian Pairs or 2-4-2:** This is a variation of a pairs game with a change in the bowling order. Leads bowl 2 bowls, skips bowl 4, then leads complete their last 2. Leads become skips on the next end and then skips become leads. This means that you are changing position on every end.

## NOTES

\* For playdowns, proof of US citizenship is required before the tournament.

\*\* SKYTOP EVENTS: Our hosts are trying to find less expensive, local housing options. Housing is available at Skytop Lodge (570-595-7401) or from the following individuals: Mike Walters-570-994-3862; mjwalters6@gmail.com or Brian Thomas: ggretz99@optonline.net

You may sign up for each event separately or on one form. If you pay for others, tell them we need full contact info for each participant at least once a year to keep a players list current.

If you would like a partner for any event contact us using info at top, and we will see what we can do to help you out. Haven't played in an NED Event? Please tell us and we will give you all the information and help we can.
