

Northeast Division (“NED”) Policy Manual
Effective January 1, 2015

I. Tournaments

A. Events. Annually the Division holds an Open Tournament; the Divisional play downs for the Bowls USA singles and pairs championships; and such other tournaments as the Board approves. The play downs are open only to Division members who are United States citizens and who can attend the National Championships where and when it is hosted. Other events are open to all members of any Bowls USA Divisions and members recognized by the WBB.

B. Format and Rules. The dates and location of Division Tournaments are determined by the Board as recommended by the Games Chair. The Secretary shall notify and seek the cooperation of each Club selected to host a Tournament. Events are directed by a Games Chair chosen by the Board. The Board may establish the format for all Division Tournaments; the Games Chair may make changes in the format as special circumstances require. Sample tournament formats are included as part of this Policy Manual.

C. Umpires. The Head Division Umpire names the umpires at each Division Tournament. In the absence of the Head Umpire, the Games Chair names the umpires. The decisions made by umpires are final.

D. Penalty for withdrawal without cause. A player may not withdraw without cause from a Tournament after it has begun. A player withdrawing without cause (as determined by the Board) shall be suspended from all Division Tournaments for one year from the date of withdrawal.

E. Division Dress Code. The Division will enact a dress code for Divisional Tournaments consistent with the Laws of the Sport of Bowls, which is the International standard. G. East Coast Challenge (“ECC”)

1. History:

The East Coast Challenge (ECC) was developed by friends in both the Northeast Division and Southeast Division who wanted to develop a friendly competitive competition. This event is sanctioned by the Northeast Division but the selection process is the sole responsibility of the ECC selection committee.

2. Trophy:

At its' 2000 inception, a Trophy was donated in memory of Paul Motta and the winning division is inscribed each year. The Trophy is housed at Pinehurst.

3. Application:

Anyone interested in playing in the ECC should make their desire known to the selectors by July 1st each year.

4. Our Division Selection Process:

The Northeast team is selected each year from ALL applicants who have made their desire to play known to the selectors. The selectors are responsible to select the best available team based solely on bowling strength without consideration to previous year's results or friendships. While this event has its social side, the purpose of this event is to be competitive. Players selected, along with alternates, will be notified 45-60 days prior to the tournament date.

5. Dress Code for ECC:

Players may be required to purchase Team shirts. Prior year's shirts may be used but the selection committee reserves the right to introduce a new shirt when required. White's may be required for practice.

6. Format:

Each team consists of 15 players broken into 3 groups of 5. Each group must contain both genders. Day 1 has pairs and triples teams from each group playing against the Southeast teams. Day 2 is Fours and singles. Each match is worth 2 points with 37 total points required to win the trophy but 36 required to retain. Substitutes may be used as per USLBA rules.

II. Playdowns

A. The draw formats for play downs, where possible, shall include a round robin for all the entrants or among those with the best records in earlier event play. If there are 11 or more teams, the teams will be split into 2 groups for round robin play. The Entry Fee for the play downs will be \$50.00 per person per event. Greens fees will be deducted from the entry fees at the same rates set in Section 1F. Prize money from the Play downs is placed in a pool, along with the 50/50 raffle money collected at our events and divided equally among the six Division Representatives

B. Entrants in play downs must prove United States citizenship prior to the beginning of the event. After citizenship has been proven in one year, it is not necessary to do so in subsequent years The Division Secretary and Games Chair shall maintain this information for the Division.

C. Entrants must be aware that winning the play downs requires them to participate as Division Representatives in the National Championships scheduled later in the year. They must be available for that before entering. A second place team must be decided at the event should the winners be unable to attend for some reason.

III. Split positions

In Division Tournaments other than play downs, team positions (except Skip) may be split between bowlers, provided only one person plays a position in each game. For Skip, we will follow the substitution rules outlined in the Bowls USA Laws of the Game.
