### Alternate Lodging Options:

**Crescent Lodge** : 800-491-6126 or 570-595-7486

Crescent Lodge is just a 10 minute drive from Skytop/BH. Ryan and Joe and a few others from Central Park have stayed there and liked it. Website is [www.crescentlodge.com](http://www.crescentlodge.com).

**Frogtown Inn**: 570-595-6282

It's an adorable Inn with 6-8 rooms – just less than 2 miles down the road from Skytop and less than that to BH. It is a B&B with a wonderful restaurant. They can mention my name from Skytop Meadow or if there is interest in renting the entire Inn (rooms) I can hopefully negotiate a good rate. Website is [www.thefrogtowninn.com](http://www.thefrogtowninn.com).

**Hemlock Campgrounds**: 570-894-4388

This place has cottages and is probably 20 minutes from Skytop/BH. They are a family and kid friendly place. Website is [www.hemlockcampground.com](http://www.hemlockcampground.com).
